Summary: This is an Hunger Games that is using your guys' OCs that you comment! If you want to see your OCs, then be one of the first 24 people to comment on my first chapter... So yeah, I'm not sure how it will go yet, so we'll go through it together! ;)

The OC Hunger Games

**Okay, so this first chapter is just an author's note. So, my friend gave me an amazing idea about a Hunger Games fanfiction to write for you guys. It's going to be 24 OCs that you guys comment down below. I'm going to do a fanfic from one of the OC's perspective, but I need some OCs from you guys! So if you have an OC you want to share, comment about them please! I will include the first 24 OCs that are commented. **

** Tell me more about your OC:**

** Name(first and last)**

** Hair color**

** Age**

** District you want them to be from(I might include the district you want, it just depends)**

** Special skills(weapons, smart, able to create) stuff, etc**

** Anything more you might want to add! :)**

I am really excited about this, and I hope you guys are too! Please please please comment! Ok, bye for now, hopefully see your OCs in the next chapter... Ciao!

(And if you didn't know, OC stands for Original Character or Own Creation, one of those;))
